LETTER REGARDING PATENT TERM ADJUSTMENT

The Patent Term Adjustment (PTA) calculation included in the Decision on Request for Recalculation of Patent Term Adjustment in View of Wyeth and Notice of Intent to Issue Certificate of Correction ("Decision") mailed April 20, 2010, for the above-referenced application indicates the PTA is 1225 days. This PTA appears to be longer than appropriate.

In good faith and candor, Patentees note that the period between the date of mailing of the first office action (July 14, 2005) and the date on which a Notice of Appeal was filed (July 20, 2006) is 370 days. The PAIR/PALM system indicates the Office awarded 588 days for pendency of longer than three years.

Patentees believe that no fee is due at this time. Any fees that may be due, however, may be applied to Deposit Account No. 06-1050.

Respectfully submitted,

Date: May 26, 2010
